This privacy notice explains how we collect, store and use personal data about you.

We, Trinity Specialist College, are the 'data controller' for the purposes of data protection law.

Our data protection officer is yet to be appointed. In the meantime, please contact the Senior Leadership Team.

- Your test results
- Your attendance records
- Your characteristics, like your ethnic background or any special educational needs
- Any medical conditions you have
- Details of any behaviour issues or exclusions

We use this data to help run the College, including to:

- Get in touch with you and your parents/carers when we need to
- Check how you're doing with your courses and work out whether you or your teachers need any extra help
- Track how well the College as a whole is performing
- Look after your wellbeing

### **Our legal basis for using this data**

We will only collect and use your information when the law allows us to. Most often, we will use your information where:

- We need to comply with the law
- We need to use it to carry out a task in the public interest (in order to provide you with an education)

Sometimes, we may also use your personal information where:

- You, or your parents/carers have given us permission to use it in a certain way
- We need to protect your interests (or someone else's interest)

Where we have got permission to use your data, you or your parents/carers may withdraw this at any time. We will make this clear when we ask for permission and explain how to go about withdrawing consent.

Some of the reasons listed above for collecting and using your information overlap, and there may be several grounds which mean we can use your data.

### **Collecting this information**

While in most cases you, or your parents/carers, must provide the personal information we need to collect, there are some occasions when you can choose whether or not to provide the data.

We will always tell you if it's optional. If you must provide the data, we will explain what might happen if you don't.

### **How we store this data**

We will keep personal information about you while you are a student/service user at our College. We may also keep it after you have left the College, where we are required to by law.

We have a Document Retention Schedule which sets out how long we must keep information about students/service users.

You can request a copy of our Document Retention Schedule by writing to the Senior Leadership Team, Trinity Specialist College, The Lindridge, Lindridge Road, Sutton Coldfield, West Midlands, B75 7JB.
